Directions: Answer these questions in the blanks provided. Please answer thoughtfully and completely!

1. I had four evenings of homework time set aside to complete my project. I was given a handout to plan the steps of the project and a calendar to map out when I was going to complete each of the steps. Did I have enough time? Did I make good use of the time I was given? Why or why not?

---

---

2. What grade did I earn on the project? Am I satisfied with that grade? Why or why not?

---

---

---

---

---

---

---

3. Did I remember to turn in my revised and edited draft? Can I do a better job of using RADaR to revise my next assignment? What step of RADaR do I want to focus on next time?
